EDITOR'S NOTE

This year marks the altering of traditions in several areas at Providence High School; the foremost being my appointment as the first male editor of the Esprit staff.

In my opinion the second most significant change is that of the format that I have chosen to follow in my representation of a year at Providence. I have used a pictorial essay rather than the traditional journalistic approach. By doing this I am leaving it up to you, as an individual, to utilize your imagination and to create your own unique interpretation of the year and its events. I hope you find this new experience as refreshing and creative as I have intended it to be.

Finally, I would like to express my gratitude to all who have worked long, hard hours to create this pictorial review of 1979- 80.

MOTHER JOSEPH DEDICATION

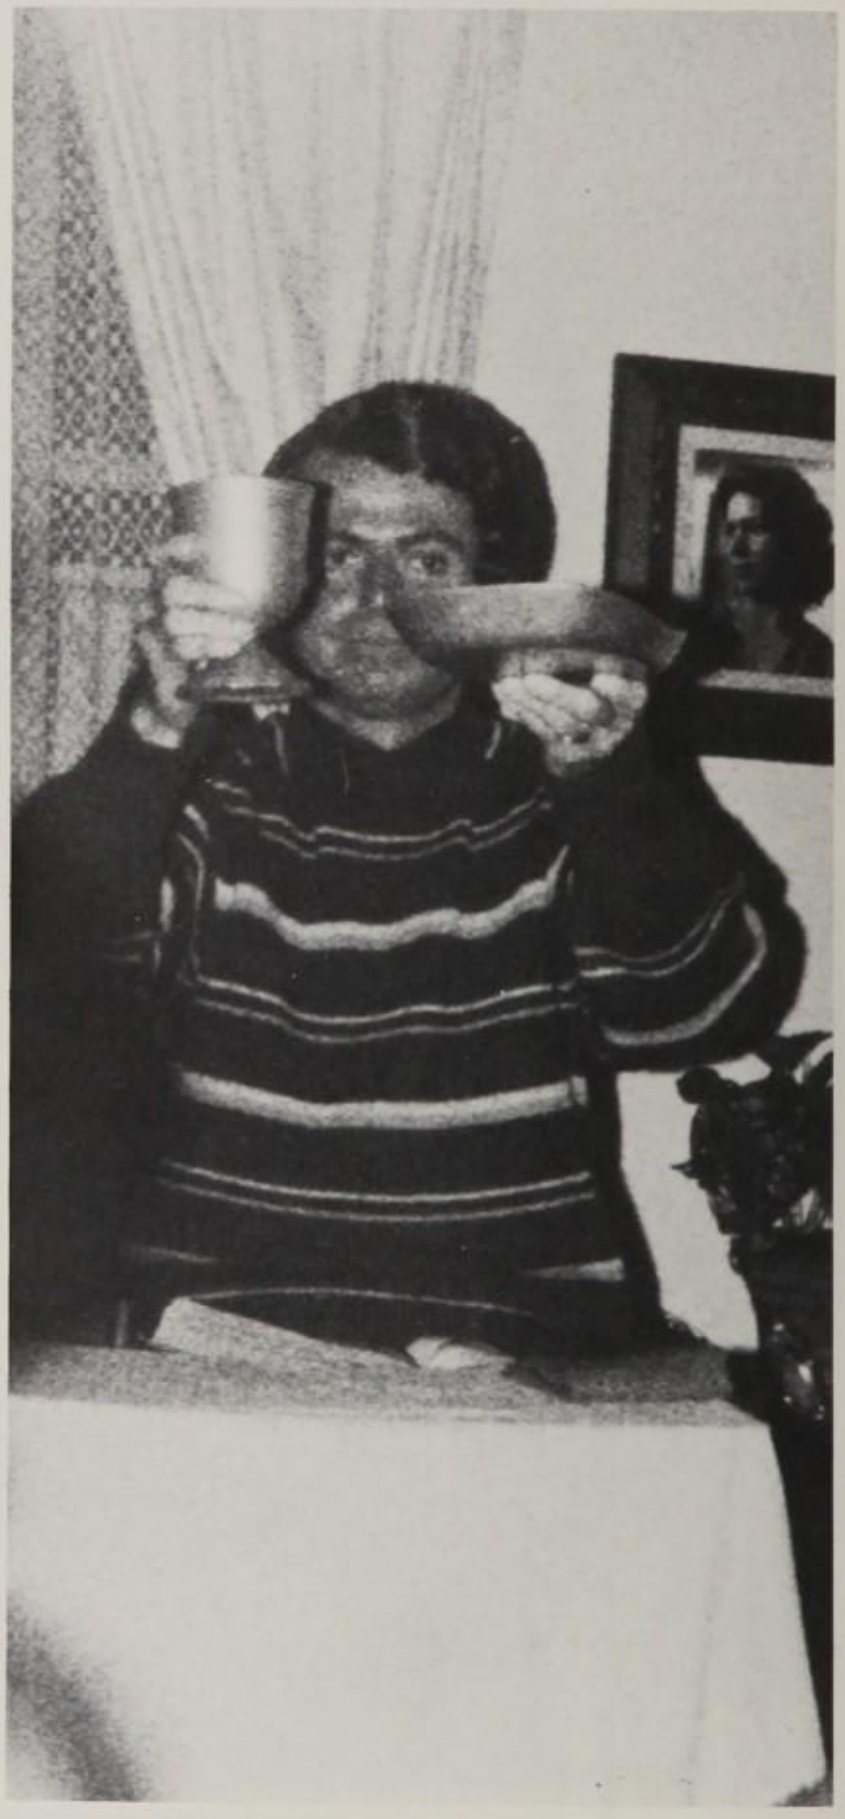
Rafael Vega, Providence High School, Burbank is the 1980 recipient of the Mother Joseph Medal. The award is given annually in honor of Mother Joseph, the Western foundress responsible for 21 health care institutions and schools in Alaska, Oregon, Washington and California.

This year's award has special significance because a statue of Mother Joseph will be officially installed in our national Statuary Hall in Washington D.C.,on May 1. Sr. Lucille Dean, Provincial Superior for the Sisters of Providence, presented the award to Vega. This event took place on January 6th, 1980.

"As a teacher and member of the administrative staff of Providence High School, Rafe was very dedicated," she said. "He gave eight years of service to Profidence and its students because of his belief in the Sisters of Providenc philosophy, particularly with regard to the education of youth."

Vega was chosen among 19 men and women nominated for the award on behalf of 280 Sisters of Providence. The award is given to lay associates of the Sisters of Providence for outstanding service. Vega was chosen among 10,000 employees, volunteers and lay advisory staff at the Sisters of Providence institutions.

CHIROS RETREAT



CHIROS, is the senior retreat that has taken place for the last two years. It's a unique experience which brings unity to the class and a special encounter with God and oneself. This year two retreats were held. Fifty seniors and more than thirty juniors took part.

DAYS OF RECOLLECTION

Friendship!!!
The Campus Ministry Team, under the leadership of Sr. Jean, Fr. Peter, and **MOP** provided this year's freshmen and sophomores with days of recollection at Carmel West. The theme of these days was friendship and with the inspiring talks given by student and team leaders everyone left with a renewed spirit.

Self- acceptance is where we started. Meeting and remembering Jesus as our greatest friend is where we ended. In between we shared our friendship. And tomorrow..."all you have to do is call..." **You've Got A Friend**

LESLIE

You Came and Left

You came one rainy day, and left one summer afternoon,
In between that time, we made our rythems rhyme, but didn't have the time to make the tune.

People and memories are cloudy, the dreams that seemed too good to be true. The days that never end, and time that we would spend, I'll never say good-bye to love we knew.

Always remember the laughing, it could have been that it was with you. I'll always think of you, the time that you passed through, and hope that all our laughter meets again
To everybody: Stay Wierd
I love you!

JOHN

Well it's a hard thing to face the music
But it's something everybody has got to do
So I hope I can always remember
All the crazy times we had to go through
Now it's a dream that is slowly fading
And I don't want it to go
All of the memories are evading
And I just want you to know...

Kerry Livgren
Kansas

Four years is a long time, but it has gone by very'fast. I have experienced a lot here at Providence, ranging from laughter to tears. As I look back, I have been educated in many areas of life here at PHS, not just academics. I really would like to thank all those who have given me support, the teachers that have inspired me, and especially my close friends who's love and friendship have meant everything to me. Here's to the future...
